Ing. Dušan HANKO
Head of Product Certification Body

This certificate is issued under the following conditions:

1. The certificate applies to the product type and its variations submitted to the tests specified in the report referenced above.
 2. The production process/factory production control is not covered by this certificate.
 3. The certificate does not imply that the certification body has performed any surveillance or control of the production process.
 4. The manufacturer shall ensure the conformity of subsequent production items with the certified type.
 5. Changes that may affect the conformity with the certification requirements may make the continuation of the certificate validity dependent on the evidence as for the observance of requirements under which the certificate has been awarded, or on an additional evaluation.
